

# 2021 TS-6830 gorgeous upgraded type

- NW: 250KG
- GW: 275KG
- Size: 155\*100\*118

The butterfly-shaped recessed backrest ,not only fits and supports the patient's back perfectly, but also provides the doctor with stretched leg space.

- **Metal detachable backrest, precision die-casting process, solid and stable.**
- **The seat cushion and backrest board adopts standardized plastic molding technology, which can be installed and disassembled quickly and easily.**
- **The seat cushion and backrest are made of environmentally friendly materials to prevent mold from being produced in humid environments.**

- **90° Rotatable side box, it is convenient for four-hand operation & equipment maintenance.**
- **The side box is connected to the center of the dental chair, the whole machine is more stable,**
- **At the same time, the side box connector can be rotated toward the front of the chair, which is convenient for entering the door.**

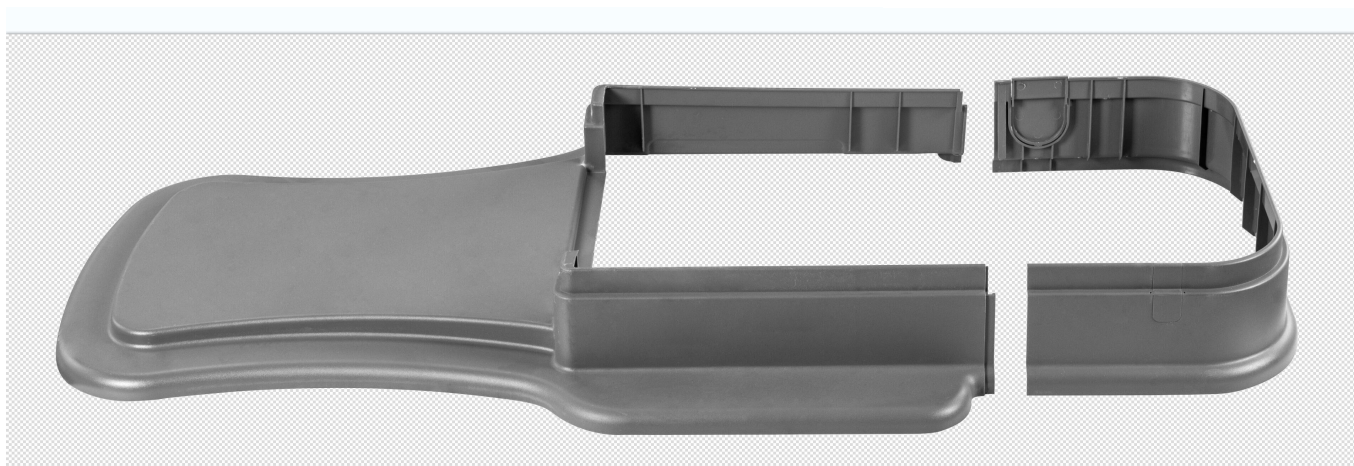

**connector can be rotated  
toward the front of the chair**

- Wider chair frame and cushion
- Ergonomically designed synchronism control system. When the backrest rises, patient's back will be very comfortable.

Injection molding plastic cover, beautiful and durable

Nylon water/air tube(same material with the car),6 years or even longer life span.

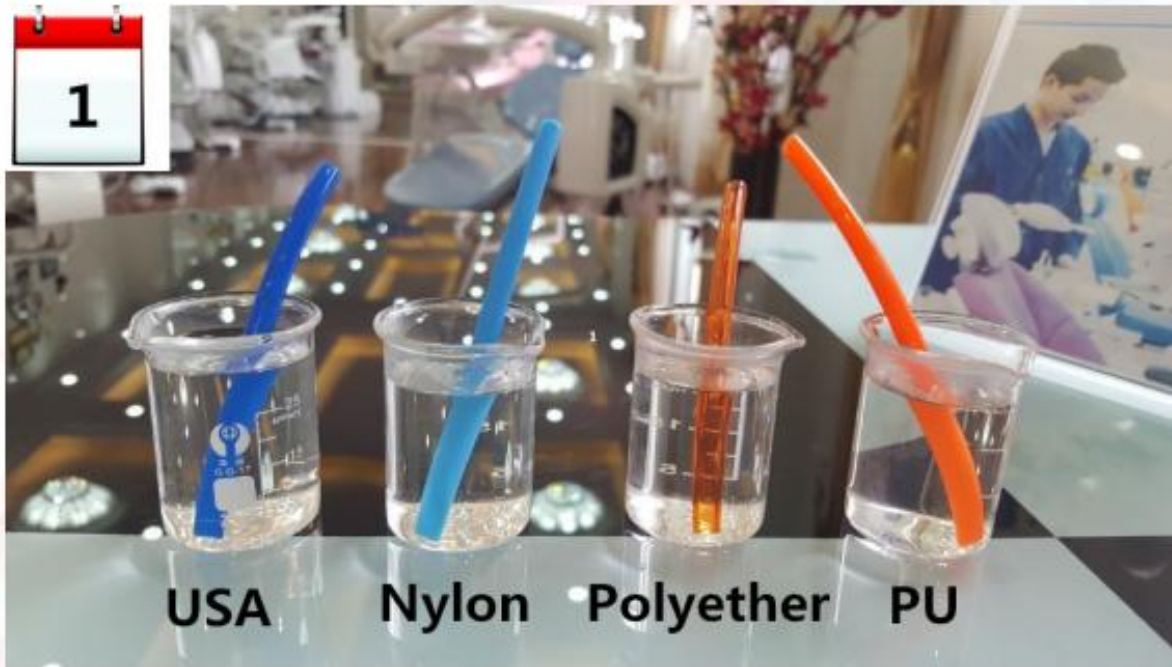

# Denmark Linak motor

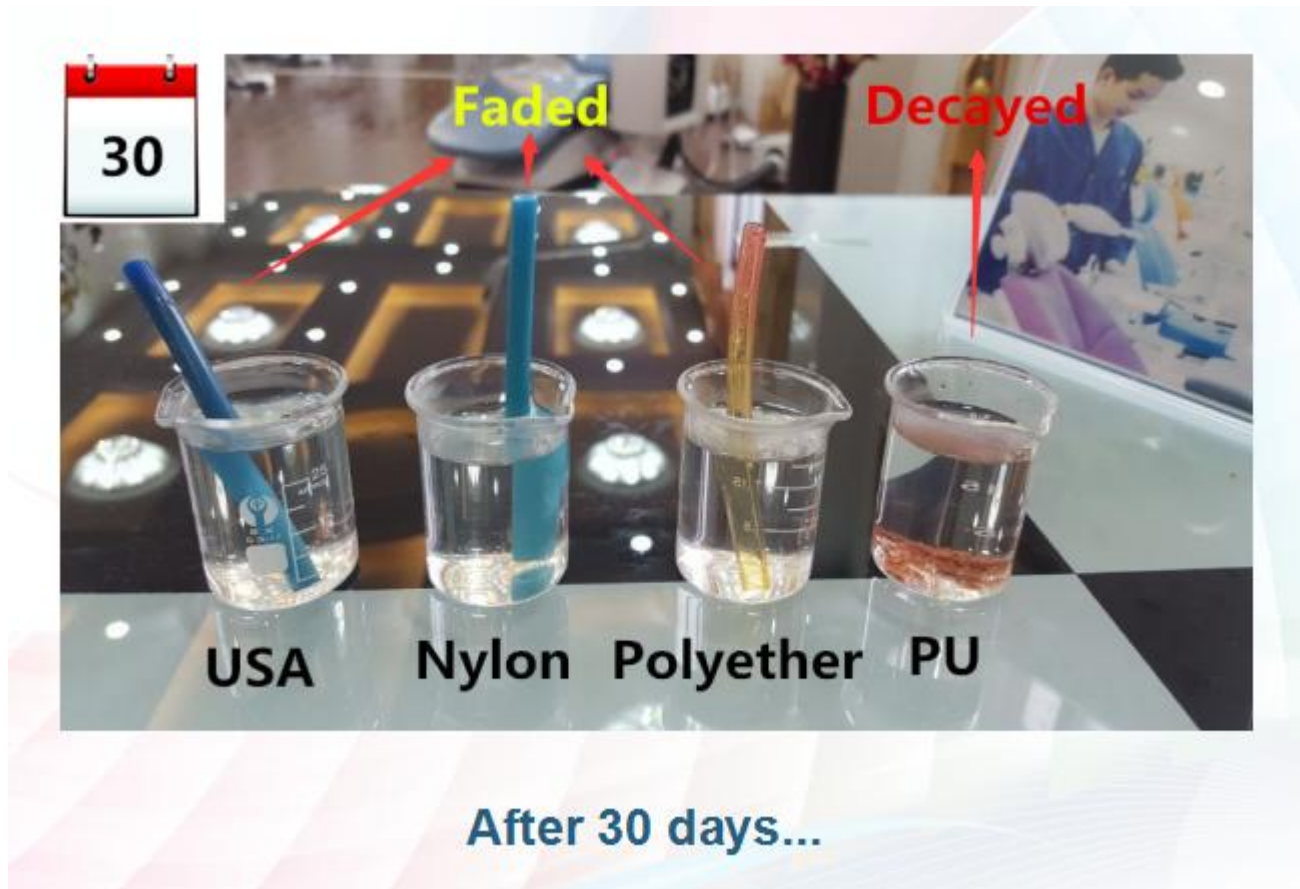

We used strong acid to do an aging test to our four kinds of water and air tubing-"imported USA tubing", "polyethertubing", "nylon tubing" and "nomal PU tubing".

## Testing of water & air tubing with strong acid

Day 1

After one month, the "normal PU tube" was broken and corrupted, at the meantime, the "imported USA tubing", "polyether tubing", "nylon tubing" were just faded, indicating that they are very durable.

- Patent injection molding & large space instrument table with rotatable handle. More beautiful & more stronger. Patent NO.: CN 2021 3 0076284.3
- Durable Taiwan imported handpiece tube.

- Three memory programmes.(Inter-lock).
- Reset & Spitting position setting function.

- Multifunctional assistant control box with touch button.
- Suitable for four-handed operation, controlling the rising and falling of the chair & backrest, the water of spittoon & water supply pipe, the switch of water heater and so on.

- Double 1.2L bottles with scale line for pure water and disinfectant supply.
- Built-out filter cup, easy to clean.

90° Rotatable spittoon is detachable for easy disinfection

Integrated foot controller, controlling the rising and falling of the chair & backrest, the water of spittoon & water supply pipe, and the water, air, atomized water of the handpiece.

# Tissue box and cup holder

Detes patent unique inductive 4 holes LED Lamp with yellow and white light.

Storage and Transportation Environment	Temperature:-20℃-70℃Relative humidity:10%-90%
Using Environment	Temperature:5℃-40℃Relative humidity:30%-80%
Barometric Pressure	500-1060hpa
Waterproof grade	IPX 0 (NO special waterproof protection)
Input voltage	AC12V-AC24V
Frequency	50/60Hz
Brightness	8000-30000LUX
Color temperature	5000-5500K
Spot size	80x160MM(distance:700MM)
Setting&adjustment	Inductive type brightness adjustment
Product Size, Specification	Length 400mmxwidth 290mmxheight 210mm
Weight (net weight)	1.92KG
Quoted Standard	YY/T1120-2009 (Odontology) Operating Lamp (ISO9680:2014, MOD)

# Color for choice

# Option: DETES PINK (micro fiber leather)

# Option: DETES Green (micro fiber leather)

# Company Profile

1999

**In 1999,**  
Detes came out

2002

**In 2002,**  
Detes obtained  
registration and  
production license of  
dental unit.

2003

**In 2003,**  
Detes started to  
participate in the  
Guangzhou South  
China International  
Dental Exhibition(Eighth)

2005

**In 2005,**

ISO9001, ISO13485, CE certificate.  
Detes participated in Dubai + Singapore exhibition and became the first one enterprise exporting dental chairs in dental industry in China.

2006

**In 2006,**

Detes attended “5S” activities and “BLUE” start to be the corporate color, shaping the corporate culture.

2013

**In 2013,**

Detes participate in Germany IDS exhibition.

2014

**In 2014,**  
Detes participated in  
Singapore exhibition.

2016

**In 2006,**  
Detes participated in  
Turkey exhibition.

**中华人民共和国医疗器械注册证**

注册证编号：粤械注准 20162170020

注册人名称	广东丹特思医疗器械有限公司
注册人住所	广州市白云区人和镇大陂村岗头路 12 号
生产地址	广州市白云区人和镇大陂村岗头路 12 号
产品名称	联体式牙科综合治疗台
型号、规格	TS-520L, TS-6430, TS-7930, TS-8130, TS-TOP301, TS-TOP301, TS-TOP301, TS-TOP301, TS-TOP301, TS-PR0218
结构及组成	主要由电钻牙科椅、器械盘、漱口给水装置、吸唾器、负压、三用喷枪、口腔灯、观片灯、脚踏开关、手机放水装置组成。
适用范围	供医疗部门口腔科诊断和治疗用。
备注	产品技术要求。
其他内容	无。
备注	原产品注册证号：粤械注准 20162155020。

审批部门：广东省药品监督管理局  
批准日期：2016年03月23日  
有效期至：2026年03月23日
